Purity that is priceless!

'Chhattisgarh Herbals' is a brand dedicated to uplifting more than 13.5 lakh forest dwelling families of the state of Chhattisgarh. 'Chhattisgarh Herbals' pure natural forest products are made from raw minor forest produce collected by forest-dwelling tribals and manufactured by Women Self-help Groups in Van Dhan Vikas Kendras. Every rupee from the sale of these products goes back to these forest dwellers and the SHG members, providing a sustainable livelihood for the tribal community of Chhattisgarh. It ensures that the forests are protected and conserved for future generations.
